

Parental Circular

FOR CLASS X AND XII

Ref.no: VBS/PC/12961/21

Date: 16/01/2021

Dear Parents,

New Year Greetings!

We hope you and your family members are hale and hearty.

Year 2020 was no doubt been the year of COVID-19 contagion but then also it brought along with it new avenues , one of it being turning the home into a School classroom through meeting apps and initiating online teaching learning process.

As a School we have always remained determined to utilize the learning time of our students by conducting constant classes be it online or offline. This endeavor of ours would not have been fruitful without the extensive involvement of the students and your incessant support.

The advent of the New Year brings in new beginning and so is the case of 2021 and CBSE has declared that the Board Examinations 2021 will be commencing from 1st week of May ,2021 and Board practical examination from 1st March 2021. The training to attempt the practical can be imparted to the students only in the laboratories under the supervision of the teacher. It is also a fact that the students have become habitual to appear in online examinations since the last nine months and henceforth need practice to attempt pen and paper test.

Hence, we are elated to announce that in accordance to circular No.DE.5/43/04/Exam/2019-209-20/39-46 dated 13/01/2021 issued by Directorate of Education: Govt. of NCT of Delhi Examination Branch, Old Secretariat, Delhi-110054 the School will physically re-open for class 12th from Monday i.e 18/01/2021 and for 10th from Thursday, 21/01/2021 onwards to conduct practical, offline (pen and paper) pre board examinations, assessments etc.

The school is following the strictest norms for hygiene and sanitation including implementing social distancing norms, temperature checks before entry and regular sanitation of classroom spaces. Students will be required to wear masks at all times and to wash or sanitise their hands at regular intervals. Please remain assured that we will never break the trust you have shown in us and are strictly following the SOP's as well as guidelines issued by the health officials and government agencies.
