Parental Circular

Ref. No. VBS/PC/13108/21

Dated: 27/04/2021

Dear Parents

Warm Greetings!!!

We hope that you and the little ones are safe & healthy.

Had it been the normal School days, we would have had the pleasure to meet you and the ever adorable students face to face at the "Parent Orientation" and acquaint you with the School and its functioning, as this academic session has had a different start, we had planned to conduct the "Parent Orientation" on a virtual platform on 1st May, 2021, (Saturday).

Here, I woefully share with you that due to current Covid situation and our pre-school teacher being effected by it we have had to postpone the said orientation. The next date will be duly informed to you.

Please note that Ms. Anupama Rohilla will be the facilitator of Pre-School till the time Ms. Ritika Arora joins us back.

Soliciting your co-operation and good wishes.

Regards

Sovanika Pal
Principal
